CATHEDRAL MAPPING

At the most recent Synod, ministry units in the Diocese were asked to produce a Mission Action Plan, which is a statement about our future ministry aspirations and directions.

On Sunday 5 February, there will be a special Regulars' Forum after the 11.00am service, to discuss our hopes and plans for the future of the Cathedral. The hospitality team will provide a light lunch of soup and rolls after the service and before the forum.

We'll consider the following three questions:

1. **What is unique or distinctive about the mission and ministry of our Cathedral?**
2. **Of the current ministries we undertake, what is important**

to keep and what should we reconsider?

3. **Are there new directions in ministry we could explore?**

You're welcome to make a verbal response or to write down your thoughts and hopes for the future and give them to any of the staff.

Waiānghi Day

On Waitangi Day, Monday 6 February, you are invited to a reflective service to commemorate the signing of the Treaty of Waitangi, the foundation document of our nation at 10.00am in Christ College Chapel. This will include the reading of the treaty in English and Maori.

“SO RICH A CROWN”: THE SPIRITUALITY OF HYMNS:

The hymns of the church are theology retold softly. They are the church’s lyrical, theological commentaries on Scripture, liturgy, faith, action, and hosts of other subjects which call us to live life faithfully. They shape our personal beliefs almost unconsciously. In this Lent series, we’ll think about the theology of hymns – good or bad, perceptive or trite, well-meaning or wrong-headed – and how

ASH WEDNESDAY

Ash Wednesday, 22 February, is also the first anniversary of the earthquake which took the lives of 182 people, severely injured others and caused major devastation to our city and region. It was also a time in which we saw wonderful heroism, compassion and care for one another as people reached out to one another to do all they could to help. The city will gather at midday in Hagley Park for a service to remember and look forward, with many young people taking part. They are our future.

At 5.30pm we join with our Catholic Cathedral friends at St. Mary’s Pro Cathedral in Manchester Street for the annual Ash Wednesday service with the Imposition of Ashes.

Bishop Victoria will preach. Please make every effort to come if you can. This will be the first time that our two communities have gathered together since we both lost our cathedrals.

MUSICAL COMINGS AND GOINGS

This month we farewell our Assistant Organist **Jeremy Woodside**. Jeremy started life in the choir as a chorister under David Childs. He studied the organ with Russell Kent and subsequently returned as the Sir Gil Simpson Organ Scholar and, of course

more recently, Assistant Organist, both while studying at the University of Canterbury. He is now moving on to further his studies in Sydney.

We are also acknowledging many years' hard work in the Choir by **Patrick**

Manning. Patrick remained in the choir after leaving Cathedral Grammar and sang last year while in his first year at Christ's College. His solo singing during this past year has been quite superb. His leadership and dedication have been an example to those choristers following in his footsteps.

Both these gentlemen leave with the best wishes of the Cathedral community and our grateful thanks for all they have given to Cathedral music.

On the arrival side, we welcome two new Godley Wakefield Scholars to the men's ranks. **Louis Cooke**, was a chorister and has spent recent years singing in the Christ's College Choir. He is now in his first year at Canterbury University. **Marcus Norman** is the son of Christchurch composer Philip Norman. He is studying post graduate music and clarinet in Christchurch.

Brian Law, Director of Music

A Botanical Christmas: due to the December 23 aftershocks, the Cathedral Christmas services were held in the botanical Gardens. We would have a photo here of the midnight service too, but it was very dark!
